

“ONE SIZE FITS MOST” BIBLE RECOMMENDATIONS

New Testament Accessible Edition

This Accessible New Testament was created by Biblica, The International Bible Society. This Bible uses the New International Reader’s Version (NIRV) which was designed to make the Bible clear, understandable, and easy to read, with shorter sentences and simpler language. This unique edition has customized illustrations, larger font, no columns, and simpler navigation. The way it is laid out makes it easier to read like a typical book.

This edition has been developed specifically for those with learning disabilities, moderate sight loss, lower levels of literacy, and English as a second language, it can be used by any reader wishing to explore God’s Word.

Eyewitness

Visual Bible experience is a resource made for adults that takes you beyond the Biblical text. Let me repeat this is intended for adults and has adult content. This is not meant to be a substitute for the Bible but rather to supplement it. Eyewitness is a great introductory piece for visual learners that may struggle to get excited about getting into God’s word. It highlights many of the Bible’s most well-known stories as it gives you different perspectives and insight into what the main characters may have been thinking and experiencing by using first-person narratives. The artwork is breathtaking and captivating.

The Kid's Adventure Bible (NIRV)

The Kid's Adventure Bible NIRV (New International Reader's Version) translation is written at a 3rd Grade reading level and is perfect for not only young readers but people of all ages and abilities. While this Bible can work well for teens and young adults, remember that the intended audience is children ages 6-10. Many different features make this a great Bible for people of all ages. It is full color, so it is more engaging. It highlights different verses to memorize and gives you extra interesting facts. It also provides readers with hands-on activities to help their faith come alive.

Beyond Suffering Study Bible

Created by Joni and Friends as an in-depth Bible study centered around the many themes of disability in the Bible. It is the first topical Bible written for those who suffer and the people who love them. This study Bible is a perfect resource for anyone leading or volunteering in disability ministry. It comes with built-in devotionals, book introductions, and connection points. Beyond Suffering uses the New Living Translation (NLT).

The Bible App

Created by You Version and available in all app stores for free, this app is available in more than 60 different languages and has nearly 500 million installs. The Bible App provides access to 2,062 different Bible versions in 1,372 different languages for free without any advertising. It comes with daily devotionals, verse of the day, prayer lists, graphics for social media, reading plans, audio versions, and more.

A favorite feature of the Bible App is the fact that you can listen to it. This makes God's word accessible to all people groups including those who are either visually impaired or blind.

Experience it: [Bible.com](https://www.bible.com)

Also available from You Version is The Bible App for Kids. It is designed specifically to engage children with Bible stories on an age-appropriate level. The Bible App for Kids is a free app for Android, Apple, and Kindle devices, available in over 55 languages, and is already installed on over 50 million unique devices all over the world.
